

Christopher Levenseller

Electric Boat Management Association

2021 Candidate for Board of Directors

EB, even better, with EBMA

Christopher Allan Levenseller
D913 Operation Supervisor
Sheet Metal on CCSM Decks
Joined Electric Boat - May, 2011

Christopher joined Electric Boat in May of 2011 as a Sheet Metal Install Tech III then transitioned into becoming a Welder. His dedication and hard work have played a big part in working his way into the role of Operation Supervisor for D913, and he currently holds the position of Acting Area Superintendent of D915. Prior to EB, Chris was a construction worker, and was also a prison guard for five years in Tampa, FL. He was raised in Newport, RI for 26 years until he began to travel and explore the East Coast. Chris has lived in New Hampshire, Massachusetts, New Jersey, and Florida. He now resides in Warwick, RI.

Chris was a member of the Wellness Team here at Quonset Point helping run Blood drives for EB for four years before switching over to a Salary Employee. He has been a donating member of the ECSA since May 2011. Chris was voted in as a Committee Member in 2015, and currently holds the position of Vice Chairman on this Committee.

Chris' passions include volunteering his time to charities. He participates in multiple Food and Toy Drives as well as helps raise money for ECSA walks and events. His hobbies include spending time with family and friends, participating in multiple outdoor activities including rugby, softball, golf, fishing and swimming. He also enjoys traveling, photography, and experimenting with his drone.
