Dept. 424 – Audit Assessment  
Joined Electric Boat - 2016

Beth has a proven track record of accomplishment designing and coordinating major nuclear engineering efforts. She has repeated success leading cross-functional teams to optimize operations and spending while ensuring strict adherence to plant safety standards. Beth is highly adept at concurrently heading multiple projects and committees, leveraging technical knowledge, organizational skills, and effective communication to efficiently manage full project life cycle, completing project milestones within firm time and budgetary constraints.

Beth's causes of choice are as Connecticut Lyric Opera's Board of Directors and as Administrative Officer for North Atlantic Region of Soroptimist International, a global organization that provides women and girls with access to the education and training they need to achieve economic empowerment. She values doing outdoor activities with family and friends.
