

**Erick Cushman**  
**Electric Boat Management Association**  
**Vice President**

Erick Cushman  
Engineering Supervisor  
Dept. 408 – Reliability, Availability and Maintainability Engineering  
Years at EB – 21 years

Erick has been an active member of the EBMA for many years, serving in the past on the EBMA Board of Directors two different times, as the Vice President, as the Community Services Director and also the EBMA Volunteer Tutoring Program Coordinator. Erick retired from the U.S. Submarine Navy in 2017 after 11 years of Active Duty and 17 years as a Navy Reservist while working at EB. He joined Electric Boat in 2000, starting his career as an Acoustic Engineer. He's held various positions since then, working on Special Projects, working in the VIRGINIA Program Office, and Supervising MMP Systems Engineering. He is currently a Supervisor in the Integrated Logistics Support area, supporting all ongoing submarine programs.

Erick's four kids are (mostly) off to college – his youngest is still in HS. He recently finished a four-year position on the Old Lyme Board of Education. Someday he will get back to volunteering with the Old Lyme Volunteer Fire Department. He has BS in Civil Engineering and two MS degrees in Physics and Engineering Acoustics.
