

Electric Boat Management Association (EBMA)

Goal Setting for 2026

A new year is your opportunity to reset, refocus and move forward with purpose.

Join our **Goal Setting for 2026** workshop and learn how to turn your ideas into clear, achievable plans.

In this class, you'll learn how to:

- Define meaningful personal and professional goals
- Create realistic action steps that lead to results
- Stay motivated and overcome obstacles
- Track progress and adjust with confidence

Whether you're planning for career growth or personal development, this class gives you the tools to make 2026 your most intentional year yet.

If you are interested in signing up for this workshop or have any questions, please reach out to EBMA Management Development Director, [Lexi Byrd](#).
