

Electric Boat Management Association (EBMA)

Taking the Stress Out of Tough Conversations

Join in on a discussion on what makes for successful leadership. Remember, you do not need a title to be an extraordinary leader; just be able to make impact through communication!

This communication series will inspire you to pitch your brilliant idea successfully, connect with your audience, establish credibility, inspire others to carry out your vision, frame goals around common interests, build consensus and win support.

If you are interested in signing up for this workshop or have any questions, please reach out to EBMA Management Development Director, [Lexi Byrd](#).
