Scholarship Committee Director-Devin Beatrice

The Electric Boat Retired Salaried Employees Association (RSEA-EB) sponsors the Top Awards

Based on written application and transcript data, the Scholarship Awards Committee selects the fourteen top scholars from the applications received. The selected candidates then meet with the Scholarship Awards Committee for a personal interview to determine the first, second, third, fourth, and fifth place award winners. Join this evening's celebration and support your investment in our future! EBMA members with High School Juniors are encouraged to bring their student as a guest to learn from the experiences of their upperclassmen. Members with past award winners are encouraged to attend and update us on your son's or daughter's accomplishments.
